Muslims around the world are living in a critical stage, countries are attacking the Islam and its instructions, and we are not few in the world but we are numerous, we become scum and rubbish like that carried down by a torrent, as our Prophet Mohammad (Peace Be Upon Him) said, we don't have reverence among the people.

This is because of our weak souls...

This is because of our less faith in Allah...

This is because of our dirty hearts...

This is because of surrendering ourselves to the other cultures...

And with all of this we think that we are fortunate and happiest people of the world, But the happiness never comes with the sloth, indeed happiness comes an unceasing hard work...

We must have faith in Allah, we must do hard work, Our prophet tired very much until he conveyed the message, and the companions too walked on his path and didn't give up their determination, they were making failure motivating them to work harder until they reached top rank, it is because of their belief, sincerity and faith and their love to the Prophet Mohammad (Peace Be Upon Him)

And if Allah wills we will follow them and walk on their path...

“The best among people are of my generation, then those next to them, then those next to them” Muslim

Worshipping Allah is his right on human being

Allah has created the human for the specific purpose and that is worshipping Allah, Allah the Almighty says in the surah Zariat: “I have created the Human being and Gin for worshipping” (Quran:51:56), and Allah has made everything subject to the human being so that they worship Him as they should (worship completely).

Worshipping in Islam is the essence and foundation, it is all the best of deeds through which the human seeks closeness to Allah, and closeness to Allah would be only with those he has ordained from the worships, and these ordains we can't know without Prophet Muhammad about whom Allah said in surah Shura “And indeed, [O Muhammad], you guide to a straight path. The path of Allah” (Quran: 42:52-53).

Then the Law (shariah) which Muhammad brought is the only way leads to Allah, and when worshipping is the right of Allah on the human he addressed to all mankind and demanded his right on them which they acknowledge and they cannot deny it, thus Allah said: “O mankind, worship your Lord, who created you and those before you, that you may become righteous”(Quran: 1:21).

Worshipping is Allah's self-right on the human being considering that they are His slaves , and He only is their God, Shaikh (Bukhari and Muslim) reported in their sahih: Muaz said that Prophet asked him: “Do you know what is the right of Allah upon his slaves?” he replied:

“Worship Allah, You have no God other than Him” (Quran: 23:23)

Worshipping Allah is his right on human being

“Allah and His Messenger know better” Then Prophet said: “Allah's Right upon His slaves is that they should worship Him Alone and associate nothing with Him”. Allah Exalted said in surah Alaq: “Prostrate (do sajdah) and bring yourself closer to Allah ” which means: seek the closeness with prostrate, and a person is being closest to Allah when he is prostrating.

The Prostration, submission, devotion, surrender and commitment are different words for one fact that is worshipping, and regarding this meaning every creature comes under it, and human's psychological and moral perfection depends on worshipping Allah Exalted and High.

Worshipping to Allah only means we should not associate any one with him such as nonbelievers of Makkah did in the period of Muhammad, they believed in Allah and worshiped Him and worshiped the idols too, Allah said in surah Ankabut: “And when they board a ship, they supplicate Allah, sincere to Him in religion. But when He delivers them to the land, at once they associate others with Him”.

There are many rights of Allah Exalted, such as believing in Him, respecting Him, loving Him, submission to his orders, fear from Him etc. if Allah wills, we will mention it in the next issues.

“So, worship Allah, making your submission exclusive for Him, even though the disbelievers dislike it” (Quran:40:14)

“BELIEF IN MUHAMMAD ﷺ” HIS RIGHT ON PEOPLE

There are many rights of Prophet Muhammad ﷺ on his people, and these rights are obligatory for every person of his followers, and his first right is to believe in Muhammad ﷺ and in his message he was sent with.

Allah says: “So believe in Allah and His Messenger and the light which We have sent down” (Quran: 64:8).

Belief in the Prophet Muhammad ﷺ is therefore an obligation for every individual. Belief is not complete without it and Islam is only valid with it, Allah has linked belief in Him with belief in His messenger. They are inseparable. This is what Shahadah (Declaration of faith) means. Even if people follow other Prophets like Moses and Jesus, they are not believers until they completely follow the teaching of Muhammad ﷺ.

Believing in the Prophet therefore is about living according to his guidance. It is much more than just mere recognition of the fact that he is a Prophet.

Thus believing in Him and His message and all the sayings which took place and which not took place that Allah has revealed it.

Believing in all these is mandatory for completion of faith, and the Prophet has given good news for those who believe in Him and has not seen Him “Blessed once are those who believe in me and seen me , Blessed seven times are those who believe in me and hasn’t seen me.”

Those who doubt in him prophecy or his message are non-believers, because there are many evidences for it.

“Say, [O Muhammad], "O mankind, indeed I am the Messenger of Allah to you all” (Quran:7:158)

Umar Al-Farooq

His name is Umar Bin Khattab Bin Nufail Bin Abdul-Uzza Al-Qurashy, He was born 13 years after Elephant Year, he was a tough and brave man, before embracing Islam Umar was among the harshest man in his hostility to Islam and the Messenger of Allah.

He accepted Islam in sixth year of Prophethood, the story of his embracing Islam is very famous, it is used to say that Khabbab Bin al-Art was teaching Quran to Fathima (sister of Umar) and her husband Saeed Bin Zaid. Umar came suddenly hanging his sword to swipe out Islam and Prophet, but when he heard some lines of Quran, he shouted the blessing shout: “Show me the way to Muhammad”. After that Khabbab took him to Dar-ul-Arqam and he accepted Islam.

And Islam appeared in Makkah with his acceptance to Islam, he said to Prophet and Muslims in Dar-ul-Arqam: “By whom sent You with the truth You must come out and we will come out with you”, after that Muslims came out and Umar was with them and entered the Sacred Mosque and prayed around Kaba, and Quraish had no guts to stop them or oppose them, that’s why the Prophet designated him “Al-Farooq” because Allah differentiated between truth and falsehood.

He was one of ten companions who was promised paradise. He was very strong in the truth and was not fearing the blame of critic in it.

The Prophet said: 'O Allah! Strengthen Islam with 'Umar bin Khattab in particular.' (Ibne Majah)

Umar Al-Farooq

Allah placed the truth and right on his tongue as he said: "My Lord concorded (agreed) with (my judgments) on three occasions: in case of place of Ibrahim, in case of the observance of veil and in case of the prisoners of Badr".

He was the second caliph of Muslims, he become caliph after the death of first caliph Abu Bakr in the year 13AH, many achievements have been made during his caliphate, he was the first who gathered people for night prayer of Ramadan, he was the first who wrote the hijri date in the month of Rabi al-Awwal in sixteenth year, he was the first who circled at night guarding people and surveyed the citizens, and enjoined the tax, and wrote the register and performed Haj ten times with people in sequence.

And Allah granted in his caliphate important conquests, such as Damascus, Qadisiyah, Tripoli and Jerusalem.

The duration of his governance was ten years.

Umar was wishing to die as a martyr in the way of Allah, he was praying Allah to get honor of it: "O Allah, grant me martyrdom in your cause and let my death be in the city of your Apostle".

And one day when he was praying Fajr in the mosque Abu-Luluah Magian stabbed him several stabs in his back, which caused his death in the month Zul Hijjah, 23 years of migration, and buried near Prophet and Abu Bakr.

"By Him in Whose Hands my life is, whenever Satan sees you taking a path, he follows a path other than yours." (Bukhari)

I am Hamid, "Your friend"

In this issue I am going to tell you what I do when I go to wash room.

When I wish to enter into the wash room first I say:

اللَّهُمَّ إِنِّي أَعُوذُ بِكَ مِنَ الْخُبْثِ
وَالْخَبَائِثِ.

“ O Allah, I seek refuge with You from male and female devils."

And step in with my left leg.

And when I come out, I step out with my right leg.
And I say:

غُفْرَانَكَ

“O Allah! Grant me Your forgiveness”

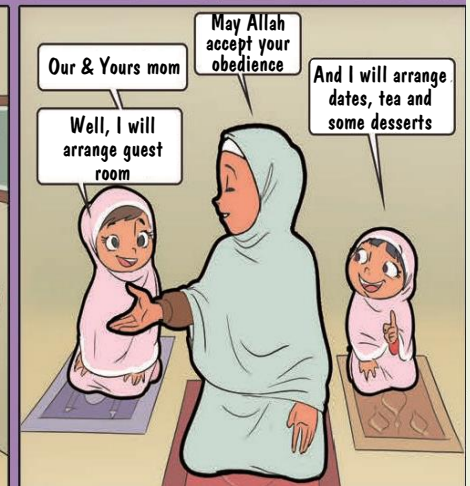

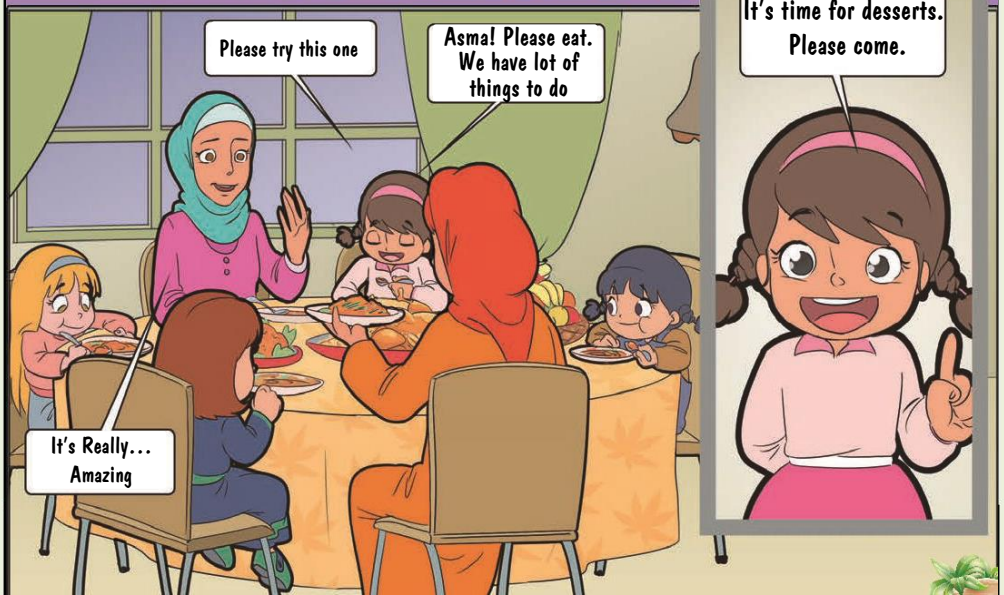

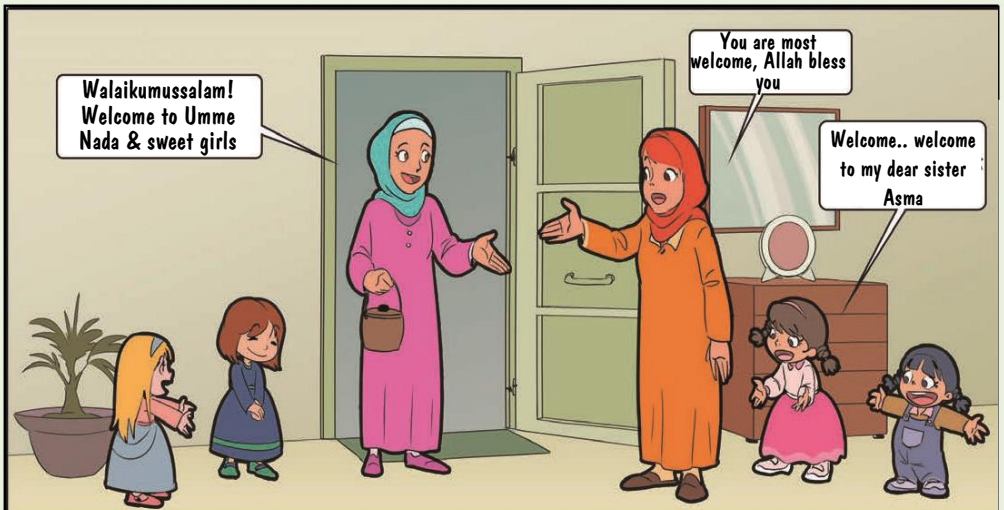

Some non-believers said to Salman, 'Your Prophet taught you about everything, even defecating?' So Salman said, "Yes." (Muslim)
